

THE BEXLEYHEATH HIGH STREET AWARDS

We are very excited to be launching the brand new Bexleyheath High Street Awards in 2022. Faced with tremendous adversity, the business leaders in our community have shown fantastic resilience and achieved astonishing results during the pandemic. These awards will be free to enter for BID Members and will result in a glamorous gala dinner in April 2022 where the awards will be presented to the winners hosted by Signature | Dining by Pure.

THE DINOSAURS ARE COMING!

We're all going on a Dino hunt! Yes, a Dino Trail will be coming to the Broadway later this month. Free activity books will be available and families will be encouraged to explore the town on the hunt for some Dino eggs before they hatch. On Saturday 26th Feb we will be welcoming two (friendly) dinosaurs to Bexleyheath. We've been assured they're friendly.

SPACES AVAILABLE ON NEW TRAINING COURSES FOR 2022

We will be hosting free training courses throughout the year for BID members and their employees, Dates for each are to be confirmed. If you or one of your team would like to register your interest please get in contact with the BID info@bexleyheathbid.co.uk

DISC CRIME REPORTING

Our retailers, hospitality venues and the shopping centre are invited to use DISC to share crime intelligence and share important current awareness with management and security staff. By using the DISC reports, within the app, our Policing team can work more closely and more effectively with crime reduction groups throughout our area. If you haven't already registered for Bexleyheath Together please email the BID - info@bexleyheathbid.co.uk.

COMMUNITY MARKETS

Plans are being made for a brand new community market on the Broadway, from March 2022. The market will be ideal for people wanting to launch their own business via a market stall on the Broadway, with low overheads and masses of opportunity for promotion. There will be an interview process for those interested and additional support for eligible applicants. Get in touch for more information.
