OCTOBER 2021

## NOMINATE YOUR HERO FOR 2020 FOR OUR CHRISTMAS SWITCH ON

The countdown is on for our Christmas Switch On Event on Saturday 13th November! We'll be inviting some very special guests including Father Christmas himself to light up the festive tree on the Broadway, accompanied by the Rock Choir, street performers, dance troops and local live music talent.

As we prepare for our Christmas Switch On event we would love your nominations for our own Bexleyheath Hero for 2020. You can nominate anyone who lives or works in Bexleyheath who went above and beyond during the challenging times of 2020. From NHS to Careworkers, retail staff to pub landlords, we know so many amazing people who stepped up to help out and we would love the chance to celebrate them.

Head to our Facebook Page: [www.fb.com/BexleyheathTown](http://www.fb.com/BexleyheathTown) to submit your nominations. The winner will be invited to join Father Christmas to help switch on our Christmas lights.

### THE MARKET RETURNS

The Continental Market will return to Bexleyheath Town Centre on the 23rd of October. With 20 stalls of food, drink, crafts and gifts the Continental Market Stallholders will be showcasing their best produce. Presenting a range of delicious food all sourced locally, handmade crafts for gifts for family and friends, with most stalls offering something different to attract more visitors to the Broadway.

### ANNUAL POPPY APPEAL LAUNCH

Join us on the Broadway for our Annual Poppy Appeal Launch Event on Saturday 30th October as we come together to remember, honour and raise vital funds to support the work of the British Legion.

We will welcome special guests and vehicles from the Emergency Services, performances from the Rock Choir and collections and stalls from the British Legion.

### FREE COURSES WITH THE BID

Our next Emergency First Aid Training course is now fully booked but we will be continuing to provide our BID Members with free courses in the New Year. Our training courses are designed to provide skills and knowledge so you feel confident about an emergency first aid situation or mental health crisis. To register your interest for a space on one of our next training days please email [info@bexleyheathbid.co.uk](mailto:info@bexleyheathbid.co.uk)

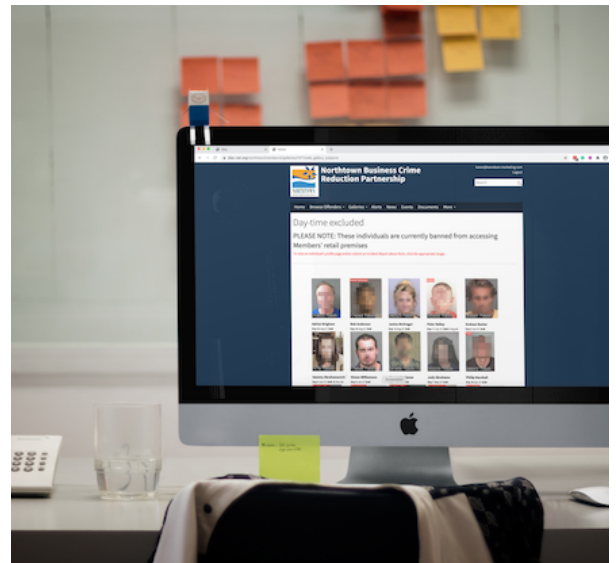

# Bexleyheath Together

FOR A SAFER TOWN CENTRE

OCTOBER 2021

## BEXLEYHEATH BID LAUNCHES BEXLEYHEATH TOGETHER

We are incredibly excited to announce we will shortly be rolling out the DISC Crime Reporting App to businesses within the Bexleyheath BID area. Our retailers, hospitality venues and the shopping centre are invited to use Disc to manage internal exclusion schemes and share important current awareness with management and security staff. By using the DISC reports, within the app, our Policing team can work more closely and more effectively with crime reduction groups throughout our area. The special features will help better communication, empowering our Bexleyheath Town Centre community to manage low-level crime and anti-social behaviour - together.

### FOR OUR MEMBERS

Our members including retailers, hospitality venues and the shopping centre are invited to use DISC to manage internal exclusion schemes and share important current awareness with management and security staff.

### FOR A SAFER TOWN CENTRE

The DISC Partnership Engagement Platform enables our Policing team to work more closely and more effectively with crime reduction groups throughout our area. Special features help better communication.

### BEXLEYHEATH TOGETHER

Empowering our Bexleyheath Town Centre community to manage low-level crime and anti-social behaviour - together. For more information on how to register your business to become a user of the DISC App please email [info@bexleyheathbid.co.uk](mailto:info@bexleyheathbid.co.uk)
