

RECENTLY SEEN ON THE BROADWAY...

BEXLEYHEATH NIGHT MARKETS

On the last Friday of the month, we have welcomed a variety of stalls serving delicious street food, craft beers and local artisan products. In addition to the stalls, we have also hosted DJs, live music and local young talent to bring an exciting atmosphere to the Broadway. The entire experience was organised by Bexleyheath Night Market to give local traders a platform to showcase their goods while bringing people into the town to support the surrounding businesses and ultimately giving something a little different to the people of Bexleyheath!

SUPER SATURDAY

We co-hosted an action-packed Saturday in the Town Centre for Super Saturday. From a Vintage Toy Fair to life-sized Super Heroes to some real life wrestling action! A huge day for everyone who attended. We look forward to the next one!

PAW PATROL

Bexleyheath met with the heroic pups Chase, Marshall, Rubble and Skye from Paw Patrol! Who made PAWsome appearances throughout the day, with plenty of fantastic photo opportunities!
